OUR FEES

Residential Property

For a more detailed conversation as to your requirements, please feel free to give us a call on 01279 295047 and we will be happy to discuss your transaction and the initial steps involved.

Costing Guide

We understand that legal fees can often be daunting and that is why all of our work is charged on the basis of a fixed fee.

We will always provide you with a fixed fee quote at the outset and confirm the work which will be carried out on your behalf. If any additional unforeseen work becomes necessary throughout your transaction, we will provide you with a further quotation before any additional fees are incurred.

All of our fixed fee quotes are inclusive of all telephone calls, emails, correspondence, meetings and advice throughout your transaction, so you can have peace of mind when instructing us that you will not incur additional charges should you need to give us a ring.

Unlike many firms, our fixed fee quotation will include all of the work that we are required to carry out in order to achieve completion, so you will not be asked to pay any 'hidden fees'.

Our Residential Property services include:
